

Dear Fellow Geriatricians,

I am writing to request your participation in an international research survey to help us understand how geriatricians across the world assess and manage unintentional weight loss, as well as opinions around the prescribing of ice cream to address it.

The survey will take approximately 10 minutes to complete, after which you will have the opportunity to enter your email address for the chance to win one of five \$100 USD Visa gift cards.

Please click the following link to access the survey:

<https://www.surveymonkey.com/r/geri-unintentionalweightloss>

The survey link will be active until Monday, September 16th, 2019.

If you have any questions about this survey, or difficulty in accessing the site or completing the survey, please contact Dr. Samir Sinha at samir.sinha@sinaihealthsystem.ca or Michelle Gyenes at michelle.gyenes@sinaihealthsystem.ca.

Thank you for your participation.

Yours Sincerely,

A handwritten signature in black ink, appearing to be 'S Sinha', written in a cursive style.

Dr. Samir Sinha MD, DPhil, FRCPC, AGSF
